SICILIAN SPECIALTIES

IBaglio Giorlando offers a variety of Sicilian specialties, created with art and using top quality products .

TRADITION AND CULINARY INNOVATION

When tradition meets innovation in the kitchen, a pyrotechnic setting lights up for the palate. From the "caponata" of fried melanzane, to the "panelle" palermitane, passing through the eggplant parmigiana , to the traditional first courses, all enriched by the chef's innovative touch.

PERFECT LOCATION

The Baglio Giorlando is the best choice, not only for those who want to try the local cuisine, but also for those who want to celebrate an important event, enjoying good food inside a marble and wooden frame, warm and welcoming. All is enriched by a natural landscape worthy of a painter.
