ALCAMO

SS113 , 325 ,91011 (TP)

Baglio Giorlando is a culinary reality that overlooks the green landscapes of the Alcamese suburbs in Western Sicily. It is located along the SS113, 325 of Alcamo. The structure offers customers a service of excellence, in which triumph typical dishes of the territory that combine the Sicilian tradition with the innovation of the times. The Sicilian gastronomic scene is very vast and Baglio Giorlando prefers the choice of top quality ingredients , which remain faithful to the scents and historical flavors of local cuisine . Among the specialties proposed we find pasta dishes such as macaroni with sauce, basil and "muddica atturrata" (typical of Trapani); busiate allo scoglio; risotti ; finger food fish ; cous cous of fish or meat; appetizers of sea or land; caponata ; parmigiana and many other delights! Everything is comfortable. The stone that surrounds the structure meets the warm color of wood. The Baglio therefore becomes the ideal choice to celebrate important occasions such as birthday, graduations , anniversaries and other events.
